Hello Perales Family,

Edgewood ISD has extended distance learning through April 24<sup>th</sup>. We hope your family is safe and well. We want you to know that we are committed to supporting and helping our families during this time. We will continue to provide instructional packets at the Edgewood Police Department 24-hours a day. Parents may pick-up packets at any time. Edgewood ISD has launched the online distance learning for all district students. Please go to: [eisd.net](http://eisd.net) and click on "Read More" below the District Closed banner. It has links to instructional resources by content and grade level. There is also information about COVID-19, family resources and support. If you have any questions about instructional materials or online resources, need supplies so your children can continue their learning, please reach out to your child's teacher through the communication line they have set up with you (calls, text messages, SeeSaw, TEAMS, email, etc.).
